SYDNEY, AUSTRALIA*:* Wednesday June 20, 2012 MTV Australia and New Zealand today welcome two new glamour girls to the MTV stable of talent; international model and presenter **Kate Peck** and stylist to the stars, **Jules Sebastian**. **Kate** will be joining Keiynan Lonsdale as an **MTV Presenter** and **Jules** as host of MTV's brand new makeover show, **MTV Style Me**.

Motorbike enthusiast, travel guru and international model, **Kate Peck** has been travelling the world for years. After calling New York City home for two years, Kate

jumped on her motorbike to ride around South Africa, raising awareness and money for YGAP (Y-Generation Against Poverty), before basing herself back in Australia. This year, Kate was named the Ambassador for the 2012 Australian Formula One Grand Prix, satisfying her passion for all things motor sport, before fulfilling her presenting dream and joining the MTV team.

Kate said, **"I remember seeing my first Red Hot Chili Peppers interview on MTV with Anthony and Flea - I plastered myself to the television thinking 'Pffft they are so cool, I could never be as cool as them.' Even though I'm still not that cool, I'm one insanely lucky ratbag – this is my dream job!**

Better known until now as the other half to Australian favourite, Guy, **Jules Sebastian** is a professional stylist, small town girl (well, Adelaide), new Mum and all round sweetie-pie. Jules joins MTV as host of the brand new ***MTV Style Me***, a fun and original make over show that reinvents fashion-challenged Aussie teens.

"I am so excited to be joining the MTV team as the host of *MTV Style Me*. It's such a fun, quirky show and I can't wait to share my style tips with everyone," says Jules.

Leaving Guy to look after the domestics of their home in Sydney's Eastern suburbs, Jules' style world will be unhinged as she battles through Liverpool, Erskineville, Sunbury, Boronia, Brunswick and Flaxton, trying to give six fashion misfits the one thing they are missing: style. Accompanied by her encyclopedic fashion knowledge, a modest budget and some fabulous ideas, Jules is going to pull our guests apart and put them back together as their new, glittery, shining selves.

Tune into MTV from July 3 for *MTV Style Me* sneak peeks and main show premiere, Tuesdays at 9:30pm from August 14.
