Express from the US The Hottest Series on FOX8

JJ Abrams' *Revolution* plus *666 Park Avenue* coming soon

From September FOX8 will kick off its hottest new and returning programming express from the US, giving viewers the opportunity to watch their favourite series within a week of the episode being screened in the US.

The blockbuster sci fi drama ***Revolution***, from producer JJ Abrams, and the highly anticipated ***666 Park Avenue***, starring Australian actress **Rachael Taylor**, make their Australian television debuts only on FOX8. Both series come from the renowned distributors of *Gossip Girl*, *Hart of Dixie* and *Two and a Half Men*, Warner Bros. Television.

666 Park Avenue, based on the novel of the same name by Gabriella Pierce, is set in The Drake, a prestigious apartment building on Manhattan's Upper East Side. Owned by the mysterious Gavin Doran (**Terry O'Quinn** - *Lost*) and his sexy wife Olivia (**Vanessa Williams** - *Desperate Housewives*), The Drake is home to dozens of residents who are unaware they're living in the dark embrace of supernatural forces. They think their dreams are all coming true, only to find they've been lured into making, what feels like, a deal with the devil.

When a young mid-western couple, Jane Van Veen (**Rachael Taylor**) and Henry Martin (**Dave Annable** - *Brothers & Sisters*), is hired to manage The Drake, they soon discover evil, obsession, and manipulation has a home there.

Revolution stars *Twilight* actor **Billy Burke** and is set in a post-apocalyptic future where 15 years earlier an unknown phenomenon permanently disabled all advanced technology and electricity on the planet bringing life back to how it was long before the industrial revolution.

On the fringes of a small farming community a young woman's life is dramatically changed when a local militia arrives and kills her father, who mysteriously and unbeknownst to her had something to do with the electricity blackout. This brutal encounter sets her and two unlikely companions off on a daring coming-of-age journey to find answers about the past in the hopes of reclaiming the future.

The upcoming drama from *Lost*'s Abrams and *Supernatural*'s Eric Kripke will also star *Lost* actress **Elizabeth Mitchell**.

FOX8's express from the US strategy will include the delivery of new episodes of hit series ***Hart of Dixie* S2, *Grimm* S2, *Vampire Diaries* S4, *American Idol* S12**, featuring Mariah Carey, and ***Gossip Girl* S6**.
