MEDIA RELEASE: Thursday September 3, 2015

AUSTRALIA'S NEXT TOP MODEL SEASON S10 NATIONWIDE AUDITION TOUR BEGINS

Australia's Next Top Model is celebrating production of its tenth season by conducting our biggest audition search ever. If you have ever dreamt of becoming the next Brittany Beattie or Montana Cox now is your chance.

From Port Macquarie NSW to Hobart in Tasmania, from Darwin in the Northern Territory to Melbourne in Victoria, producers will be searching nationwide for a unique look and personality to be cast in Australia's most successful and iconic modelling reality show.

Host and judge Jennifer Hawkins said "Australia's Next Top Model is turning ten so we have a lot to celebrate. Audiences fell in love with Brittany Beattie, our diamond in the rough winner earlier this year and this season we are determined to go wherever we need to find someone equally stunning and unique- a girl who can work on an international level.
