## Foxtel Kids App July Highlights

With the winter school holidays just around the corner, the Award-winning Foxtel Kids App has something to keep every kid entertained. Simply download the Foxtel Kids App and stream some of the world's best kids' shows on demand, ad-free and at any time from Foxtel's major kids channels including Nickelodeon, Nick Jr., Disney Channel, Disney Junior, Disney XD, CBeebies, Discovery Kids, Cartoon Network and Boomerang.

Designed with families in mind, the app is easy to navigate and allows for offline viewing of downloaded content, which is ideal for long drives, flights or holidays spent away from an internet connection. The Foxtel Kids App is filled with kids' favourite shows regularly updated with fresh shows to stream or download and offers uninterrupted ad-free viewing making it a safe and secure place for kids to enjoy the best in kids' content Foxtel has to offer.

Created and developed in Australia, the Foxtel Kids app helps parents deal with some of the challenges that come with youngsters watching TV, like limiting screen time, managing what they watch, and monitoring data usage. Parents are able to set a limit on the time spent watching the app and can select classifications between G and PG ratings for age appropriate viewing.

In addition to the huge selection of kids' favourite shows available on the App, new Foxtel Kids App July programming highlights include the following (please note these programs are available to stream or download on demand following their premiere timeslot):

### **NEXO KNIGHTS**
