UNVEILED

Friday, April 7 at 8.30pm on Style

The love is real and so is the makeover!

It's every bride's dream to look their best on their wedding day, and with the latest treatments at their fingertips, the possibilities are endless. But will it be for better or for worse?

Unveiled, a brand new local production for Style, follows six brides-to-be as they undergo cosmetic procedures in the lead up to their wedding day. **Premiering Friday, April 7 at 8.30pm.**

The nerves that surround the lead up to a wedding is enough drama for most couples. Add to that the highs and lows of a cosmetic makeover, and the pressure is well and truly on.

Unveiled takes an uncompromising look into the high piqued drama of a wedding mixed with the ultimate element of surprise where all will be revealed - or should we say *Unveiled* - at the altar.

In each episode, cosmetic surgeon Dr. Michael Zacharia will create a series of bespoke procedures for each bride ranging from breast augmentation & rhinoplasty. We then follow the brides physical and emotion journey from start to finish where she will reveal herself to the groom on their wedding day.

In episode one, we meet 39 year old mother-of-one, Sam who is keen to go under the knife. To ensure she looks the best she can on her special day, Sam undergoes a number of extensive treatments including a hairline advancement, a breast lift and a fat transfer to contour her face and conceal the dark circles under her eyes.

Will the pain be worth the gain? Found out when *Unveiled* premieres Friday, April 7 at 8.30pm on Style.
